Guess what our ChairEEEE Team is doing in the Silicon Valley? 😊

Catching a glance at the world's most powerful venture community - our EMDIEL (Executive Master in Digital Innovation and Entrepreneurial Leadership) class is in Silicon Valley, visiting innovation leading companies, accelerators and universities such as Google, Airbnb, Founders Space, 500 Startups, The Refiners, 42 US, Stanford University UC Berkeley!

At the end of the week: pitch competition at Salesforce.

Lennart Paul (participant): "It is an amazing opportunity to meet with so many high-profile VCs and Entrepreneurs. Those people have already pushed some boundaries and to learn from them first hand is a unique chance to enhance yourself."
